Friday, March 23rd, is Angel Fire Resort's annual New Mexico Appreciation Day. All residents of our state are eligible to receive a FREE full-day lift ticket to ski and ride on the mountain on Friday. This is a sign of appreciation for our locals, neighbors and business partners on whom we rely for support for all seasons. In order to receive a free lift ticket, residents simply need to present a current New Mexico state ID or recent utility bill in their name to the Resort's ticket office.

Please join us, and encourage your friends, family and business partners to join us as we head into the final weekend celebration of what has been a busy and successful winter season.
